Veterinary Certification:
 "I certify, as an accredited veterinarian, that the above-described animals have been inspected by me and that they are not showing signs of infectious, contagious, and/or communicable disease, (except where noted). The vaccinations and results of test are as indicated on the certificate. To the best of my knowledge, the animals listed on this certificate meet the state of destination and federal interstate requirements. No further warranty is made or implied."

VT STATUTORY AMENDMENTS

- DRAFTED JAN. 2017; EFFECTIVE JULY 1, 2017
- OFFICIAL ID REQUIRED FOR LIVESTOCK MOVEMENT OFF FARM, EXCEPT TRANSPORT FOR VETERINARY CARE
- BACKTAGS NOT OFFICIAL
- FACILITATED BY DISPENSING NUES TAGS TO LICENSED DEALERS & TRANSPORTERS, VETERINARIANS, PRODUCERS (SIGNED AGREEMENT); MARKETS AND COMMISSION SALES
- **SLAUGHTER LIVESTOCK**
- PUSHBACK EXPECTED IN 2018

NORTHEAST REGION CHARACTERIZED BY:

- **SMALL AG DEPARTMENTS/JACK OF ALL TRADE EMPLOYEES – NO DEDICATED ADT COORDINATORS**
- **OFF-THE-GRID, NICHE PRODUCERS; STILL ENGAGE IN GLOBAL COMMERCE SO IMPACT ON “ORGANIZED INDUSTRY” IS REAL**
- **“ENTREPRENEURS” (a.k.a. CONSTITUENTS WHO DON’T LIKE THE GOVERNMENT)**
- **NO-NAIS WEBSITE**
- **FOOD SOVEREIGNTY**

“DON'T TRY TO
WIN OVER THE HATERS;

YOU'RE NOT THE
JACKASS WHISPERER.”

SCOTT STRATTEN

NORTHEAST CHALLENGES

- **IDs moving to the 840 system only – good in principle; challenging in reality due to “current system is working fine” mindset**
- **Moving away from paper CVIs – some states can’t accommodate**
- **CVIs and veterinary accreditation**
 - **Federal accreditation has very few tools to enforce against or reprimand bad practices**
 - **Difficult for animal-receiving state to effectively take enforcement action against out-of-state veterinarians**
- **Lack of ID recording/record maintenance at slaughter**

THANK YOU
